Mauser Military Rifles of the World: Amazon.co.uk: Ball ...

Mauser, originally K\u00f6nigliche Waffen Schmieden, is a German arms manufacturer. Their line of bolt-action rifles and semi-automatic pistols has been produced since the 1870s for the German armed forces. In the late 19th and early 20th centuries, Mauser designs were also exported and licensed to many countries which adopted them as military and civilian sporting firearms. The Mauser Model 98 in particular was widely adopted and copied, and is the foundation of many of today's sporting bolt action

Mauser - Wikipedia

Mauser rifle, any of a family of bolt-action rifles designed by Peter Paul Mauser (1838-1914), a German who had worked in an arms plant before entering the German army in 1859. Mauser's first successful design was a single-shot, 11-millimetre, bolt-action rifle that became the forerunner of many important designs.
