## Culture [PDF]

Community engagement (CE) is a key focus of UK museum policy and practice, increasingly used as a strategy to democratise museums and position them as social agents. However, the practices of CE have not evolved far beyond what I call the ‘contributory museum’, which focuses on how

### Engagement: The Politics of Practice ...

Museums and communities make up only a portion of civil society, the complex of social entities in which we act out our lives and through which we fashion our identity.

Civil society is a perennial topic in the social sciences and
