The Oxford Left Review - Barry Amiel & Norman Melburn Trust

Two Sides of the Same 'Can' Historically, class and gender have been fraught categories of intersectional analysis. From feminist critiques of Marx's economic analysis as resting on 'gender blind' categories[1], to last year's Institute for Public Policy Research finding that "feminism has failed working class women"[2], theorising these two oppressed groups together has proved difficult....

About | The Oxford Left Review

The current situation in the Arab countries and the prospects for the left there are often debated in the anglophone world, particularly since the Arab risings of 2011. But the discussion often seems to suffer from a lack of historical grounding or a grasp of the common (and divergent) features of politics in different Arab states. This overview is a small effort to remedy this state of affairs ...

Peter Hill: Notes on the Arab Left | The Oxford Left Review

The Oxford Club has a variety of newsletter and VIP trading services. The newsletters are the much cheaper options but don't provide you with quite as much information or guidance--and if you are a subscriber of any of the 3 newsletters offered then you will likely be hit with some promotional emails and whatnot for their more expensive VIP services.
